

SUICIDE RESISTANT SAFEHOUSE NIGHTSTAND

#BF960

Overview

Residential room furnishing designed and engineered specifically for critical environments. Safehouse Chests feature Dura-Ply™ construction and built-in safety features like rounded edges and SafeJoint™ concealed joinery for added strength with exposed fasteners limited to the back of the unit.

Fabrication And Material

Nightstand is 3/4" plywood with natural hardwood veneer and impact resistant PVC edge banding securely doweled and glued at strategic locations. The high-pressure laminate top surface with rounded solid hardwood edge for enhanced wear resistance and cleanability is supported with a double top for additional durability. Sturdy 3/4" plywood back panel is securely fastened to unit for additional structural integrity. Open shelf design for enhanced safety and security provides two built-in storage compartments. Shelf is structurally reinforced with SafeJoint™ concealed joinery for added strength. Tamper-resistant, non-mar floor glides are standard. Catalyzed vinyl sealer coat plus catalyzed varnish top coat for wear resistance. Made in the U.S.A.

Specifications

Finish: Catalyzed vinyl sealer coat plus catalyzed varnish top coat for wear resistance.
