INNOVATION NEVER RESTS

SUICIDE RESISTANT SAFEHOUSE 3 SHELF CHEST

#BF985

Overview

This suicide resistant 3 Shelf Chest is designed and engineered specifically for critical environments. The BF985 features Dura-Ply™ construction and built-in safety features like rounded edges and SafeJoint™ concealed joinery for added strength with exposed fasteners limited to the back of the unit. The finish is a catalyzed vinyl sealer coat plus a catalyzed varnish top coat for wear resistance.

Fabrication And Material

The BF985 is composed of 3/4" plywood with natural hardwood veneer and impact resistant PVC edge bonding securely doweled and glued at strategic locations. The high-pressure laminate top surface with rounded solid hardwood edge for enhanced wear resistance and cleanability is supported with a double top for additional durability. Sturdy 3/4" plywood back is securely fastened to unit for additional structural integrity. Open shelf design for enhanced safety and security provides roomy built-in storage compartments. Non-removable, non-mar floor glides are standard. The BF985 is manufactured in the USA, can be bolted down, ships assembled, and comes with a 5 year warranty.

Specifications

Finish: Catalyzed vinyl sealer coat plus catalyzed varnish top coat for wear resistance.

Color: Oak, Cherry

Weight: 103 lbs.

Dimensions:

Height 38"

Width 30"

Depth 22"

Cubby Height 10"
