

LIGATURE RESISTANT SOAP DISPENSER

#SD750

This heavy-duty metal construction soap dispenser reduces ligature risk normally associated with standard soap dispensers. This ligature resistant product can be wall mounted in any location. The activation allows for easy one hand operation. The unit is designed to fit multiple products allowing choice of different available material options including soap, foaming soap, and anti-bacterial. The front housing contains a key locking device to allow quick access for cartridge replacement. All exposed surfaces are powder coated in a durable white finish. The back-mounting plate has multiple mounting holes to allow various configurations.

Overall dimensions are 7-7/8"W x 12-3/8"H flange and 5-1/16"D.

*This product is approved in the NYS Office of Mental Health Patient Safety Standards, Materials and System Guidelines.
